MEDICAL APPOINTMENT CANCELLATION / NO SHOW POLICY

Because of this, your initial consultation and/or enrolment in a program will be billed at time of booking. As such, if you are not sure if you can proceed with a consultation and/or program, do not schedule one or enrol, as these are final sale.

In the case of subsequent follow-up consultations that are not part of a program, and are billed at the hourly rate, you will be billed at the time of service.

Should you need to reschedule a consultation or cancel a follow-up consultation please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment. This gives us time to schedule other patients who are waiting eagerly for much-needed health care.

- Effective January 1, 2014, any patient who fails to show or has not contacted our office with at least 24 hours notice will lose the value of their scheduled consultation. If it is a follow-up consultation not yet billed, to be billed at the time of service, they will be invoiced for at the current hourly rate for the scheduled duration of the appointment.
- If the appropriate notice is provided, we will be happy to reschedule at our earliest mutual convenience.
